

PE & SPORT PREMIUM IMPACT FORM 2019-2020

SPORT PREMIUM FUNDING:

- PURCHASE OF PRIMARY PE HUB RESOURCES – Support planning and assessment to develop teacher confidence and range of resources available

IMPACT:

Staff have a clear overview of the PE curriculum and easy to follow lesson plans and ideas to support the teaching of their lessons

ASPIRE:

- ASPIRE PECS Support for class teachers (started in Autumn 2019) – improve confidence and planning in PE

IMPACT: R, Y1, Y2, Y3, Y4 and Y5 teachers supported from Aspire= increased their ability to plan and teach a sequence of PE lessons, identifying and assessing children's progress effectively.

- ASPIRE Lunchtime club – increase range of activity available to pupils through introduction of lunchtime basketball, netball and hockey skills. Followed by Spring term (change of pupils to ensure maximum pupil participation in KS2).

IMPACT: Increased activity levels during lunchtime in KS2, children developing their skills and confidence in a specific sport.

Aspire after school club- an opportunity for a mixed girls and boys football club, children selected based on who expressed an interest in KS2.

IMPACT: Children gaining skills in football in preparation for possible future competitions.

Toddler Tennis after school sports club- Reception and Year 1 children to take part in a range of multi skill activities.

IMPACT: Tailored to EYFS children- developing their gross motor skills, following instructions, confidence in participating in a range of sports and getting changed quickly into PE kits.

- Play Leader Meetings

IMPACT: Currently 22 trained playleaders running 1x per week target groups: increasing organised games activities available to pupils (on average, 30% pupils take part in an organised lunchtime club by play leaders across the week)

KINGSBURY PARTNERSHIP:

- Y1, Y2 and Y6 inter house competitions- Year groups took part in an organised competition with their peers.

IMPACT: Children experience taking part in a competition. Contributes towards our School Games Award (Bronze)

- Inactive children intervention- Lunchtime supervisors identified children who are not active enough during lunch times. Coach from Kingsbury Partnership to provide an active intervention for these children.

IMPACT: Inactive children to gain a more positive attitude towards physical activity and reach their goal of 30 minutes activity a day.

- Support with Sports Premium funding from Kingsbury Partnership- Discussed ways of spending funding effectively.

IMPACT: Clear vision of how to spend funding effectively. PE lead gained a clear understanding of the aspects which do and do not qualify for PE Sports Premium funding. PE sports premium funding form produced for school website and records.

The following planned but postponed due to school lockdown:

- **Healthy eating workshop**- Kingsbury partnership- healthy snack focus due to teacher's feedback of children bringing unhealthy snacks into school for break time.

IMPACT: Children to gain a better awareness of the benefits of healthy, sugar content in different snacks and a range of healthy options they could bring to school. Contributing to tackling and reducing obesity levels in children.

To be moved to Autumn 2020

- **Aspire Tokyo Olympic day**- Children to take part in whole school Olympic style activities to celebrate the Olympics.

IMPACT: Increased activity for children, children to gain confidence and a more positive attitude towards an increasing range of sports. Gain experience of taking part in friendly competitions.

To be moved to Autumn 2020

FUTURE DEVELOPMENTS:

- To ensure that some friendly external competitions take place 1x per half term
- To purchase gym style equipment in KS2 play ground for lunchtime and playtime use.
- To increase number of children attending after school sports club next year (focussing on PP and SEN participation).
