

OUR LADY'S CATHOLIC PRIMARY SCHOOL

YEAR ONE
ART JOURNEY

Explore ideas. Develop skills. Make art that is your own.

1 MIX IT

Colour • pattern • printing

Explore primary and secondary colours, mix paints and make repeated prints. Arrange a painted and printed composition, then explain your choices.

Our foundation: colour choices and clear prints.

2 FUNNY FACES AND FABULOUS FEATURES

Portraits • expression • collage

Look closely at faces and explore line, shape and facial features. Choose and layer materials to create a mixed-media self-portrait.

Build on colour choices; add observation and collage.

3 RAIN AND SUNRAYS

Line • texture • collagraph printing

Explore weather through marks and textures. Build a textured printing plate and use it to make weather-inspired collagraph prints.

Build on printing by exploring texture.

4 STREET VIEW

Buildings • colour • layering

Look at buildings and colourful city art by James Rizzi. Combine shapes, colour and layers to create an original street scene.

Bring colour, shape and layering together.

OBSERVE
Look closely at the world around us.

EXPLORE
Try materials, colours and techniques.

CREATE
Use ideas and skills to make original art.

EVALUATE
Talk about choices and try improvements.

EXPRESS
Share feelings, ideas and imagination.

LEARNING TOGETHER. CREATING TOGETHER. SHINING TOGETHER.
